Tickets On Sale Now for Cache Creek's Inaugural 2011 Outdoor Summer Concert Series

BROOKS, Calif. – Cache Creek Casino Resort, long known for providing top- name entertainment in its indoor showrooms, is bringing out the stars this summer 'under the stars' for its new outdoor *Summer Stage Concert Series*. Tickets are on sale now at www.cachecreek.com.

"We've been offering high- quality entertainment for our guests since the doors opened to our resort in 2004," said Cache Creek's Vice President of Marketing Mike Leonard. "We've had a popular 1,800- seat events center, and have continued to provide stage acts weekly in our 700- seat Club 88. Now, the Summer Stage will allow us to bring in even bigger name acts for our guests. And, we will be able to accommodate a larger viewing audience."

The new 3,000- seat outdoor amphitheater will be an open- air entertainment experience just south of the casino next to the existing building. The venue will feature raised seating in an intimate, theatre- style configuration, ensuring excellent sightlines and sound quality for all concertgoers. Plus, audiences will enjoy a fantastic view of the surrounding Capay Valley.

The first show scheduled for the new stage is rock icon John Fogerty on May 21. Other concerts scheduled in the Summer Stage Series include Jamie Foxx on May 28, Thai superstar Takatan Cholada on May 29, Smokey Robinson on June 4, "As 1 World Tour" with Gary Valenciano and Martin Nievera on June 11, the most popular Vietnamese show in the world "Paris by Night" on June 25, Motown superstars The Temptations with the Chi- Lites and The New Stylistics on July 2, and George Benson with DMS featuring George Duke, Marcus Miller, and David Sanborn on August 27. Additional shows will be announced later this spring.

"This is an exciting announcement for both Cache Creek Casino Resort and its owners, the Yocha Dehe Wintun Nation," said General Manager Randy Takemoto. "In addition, a portion of the Summer Stage Concert Series proceeds will be contributed to support music programming for our local students. The Summer Stage is a fantastic new amenity we are offering to our guests and to our community. We are thrilled to see the types of superstar entertainment that we can now provide with the opening of this new venue."
