Brooks, Calif. – For fans of classic R&B, the soul train stops here! See an incredible three-for-one show, when The Temptations, The Chi-Lites featuring Marshall Thompson, and Russell Thompkins Jr. and The New Stylistics come together for one night under the stars during the outdoor *Summer Stage Concert Series* at Cache Creek Casino Resort on Saturday, July 2.

Having sold tens of millions of albums, the Temptations achieved fame as one of the most successful singing groups in the history of Motown Records. Their hit parade plays more like an American cultural soundtrack than merely a collection of popular songs. Starting with 1965's *My Girl*, the group has delivered four Billboard Hot 100 No. 1 singles and 14 Billboard R&B No. 1 singles alone. Songs such as *Get Ready*, *Ain't Too Proud To Beg*, *I Wish It Would Rain*, *Just My Imagination*, *Papa Was A Rollin' Stone*, and *Masterpiece* are but a sampling of the chart-toppers the Temptations cranked out during a career now in its sixth award-winning decade. Known for its recognizable choreography, distinct harmonies, and flashy onstage suits, the Temptations have been said to be as influential to soul as The Beatles are to pop and rock.

The Chi-Lites featuring Marshall Thompson, are one of the most popular smooth soul groups of the early 1970s. Hailing from Chicago, the Chi-Lites racked up 11 Top Ten R&B singles, ranging from the romantic ballads *Have You Seen Her* and *Oh Girl* to protest songs like *(For God's Sake) Give More Power to the People* and *There Will Never Be Any Peace (Until God Is Seated at the Conference Table)*.

During the early 1970s, the Stylistics had 12 straight Top Ten R&B hits, including *You Are Everything*, *Betcha by Golly*, *Wow*, *I'm Stone in Love With You*, *Break Up to Make Up*, and *You Make Me Feel Brand New*. Of all their peers, the Stylistics were widely considered one of the smoothest and sweetest soul groups of their era. Russell Thompkins Jr. and The New Stylistics (Thompkins' distinctive falsetto was the driving force and the backbone of the original group) are dedicated to preserving the sound of the original recordings.
