For Immediate Release  
August 16, 2011

## **Benson, Duke, Miller and Sanborn Offer a Hot Night of Cool Jazz at Cache Creek's Outdoor Amphitheater on August 27**

**Brooks, Calif.** – One of the original “smooth jazz” artists, guitarist George Benson is the king of cool. Joined by equally hip contemporaries George Duke, Marcus Miller and David Sanborn, this show quite possibly could be the coolest place on the planet this hot August night. See them all under the stars in the outdoor *Summer Stage Concert Series* at Cache Creek Casino Resort on Saturday, August 27.

In a guitar/vocal career spanning multiple decades, featuring more than 30 recordings as a leader and ten Grammy Awards, Benson has used his jazz roots as the foundation for an engaging mix of pop, R&B and other shades that add up to a style that appeals to a broad mainstream audience. Along the way, the one-time “guitar prodigy” has also established himself as a formidable jazz singer – one whose biggest career hits have showcased his vocals. With his warm tone and silky vocals, his shows are filled with all the classic hits, including his multi-platinum *Breezin'* and a few jazz surprises, too.

All world-class, accomplished stars in their own right, the Duke/Miller/Sanborn project opens the evening with tasty, groovy, rock-solid smooth jazz verve.

George Benson, with George Duke, Marcus Miller and David Sanborn, plays Cache Creek Casino Resort's outdoor “Summer Stage” on Saturday, August 27 at 8 p.m. Tickets are \$75/\$55/\$45 and are available online at [tickets.com](http://tickets.com) or by phone (800) 225-2277; or at [cachecreek.com](http://cachecreek.com) and Cache Creek Casino Resort's guest services desk.
