Country Legend Willie Nelson Plays at Cache Creek Casino Resort on September 10

Brooks, Calif. – One of the most recognized artists in country music history, Willie Nelson was inducted into the Country Music Hall of Fame in 1993 and received the Kennedy Center Honors in 1998. See Nelson in the outdoor *Summer Stage Concert Series* at Cache Creek Casino Resort on Saturday, September 10.

Nelson, a versatile, eclectic country crossover star, is known for his classic ballads ("Always On My Mind"), autobiographical road songs ("On the Road Again") and catchy rhythms ("Mammas Don't Let Your Babies Grow Up to Be Cowboys"). After many years of trying to find his place in the music business, it all came together in 1975 with the album *Red-Headed Stranger*, which would become the top-selling country music album in history and propel him into the country music stratosphere.

His offbeat phrasing, distinctive nasal tones and leathery, bewhiskered hippie-styled looks set a new standard for "outlaw" country music. Multiple movie roles followed, as did his musical output, with more than 300 albums recorded in his career. As a unique song stylist, the bearded, braided-haired, bandanna-wearing non-conformist took a number of non-country standards and made them his own, while cementing his legacy in modern pop culture.

Willie Nelson plays Cache Creek Casino Resort's outdoor "Summer Stage" on Saturday, September 10 at 8 p.m. Tickets are just \$75/\$49/\$39 and are available online at tickets.com or by phone (800) 225-2277; or at cachecreek.com and Cache Creek Casino Resort's guest services desk.
