golf course

You'll feel like you've won the minute you step on our course. Yocha Dehe Golf Club offers 18 holes of pure serenity along Cache Creek. Carved out of rolling hills and wine vineyards, the award-winning 7,300-yard par-72 championship course has a host of breathtaking views all around. Four sets of tees are available to accommodate all skill levels of golfers to ensure an enjoyable, peaceful day on the links. A magnificent clubhouse, extraordinary practice facilities, and numerous water features accompany this impressive course.

- o **165-acre 18-hole championship course:** driving range, practice putting area, clubhouse, home of Bahtenta Grill
- o **Location:** 14455 Highway 16, Brooks, CA 95606
- o **Designer:** Brad Bell (Sacramento, CA)

Over twenty years ago, the site of the future golf course wasn't much to look at. The tribe turned to Sacramento-based architect and former PGA Tour pro Brad Bell, gave him a generous budget, and essentially turned him loose — a practice that has made Native American golf courses among the best that have opened in recent decades.

No homes encroach on the layout, and Bell moved considerable earth to separate fairways and create contours in the terrain. The young oak trees he planted have matured and are now in harmony with the extensive native oaks along the creek. The Tribe ensured that the routing avoided sacred grounds, and each hole is named in the Patwin language, many after the wildlife that reflects the nature of the challenge.

For example, No. 18 is called Selai, or Bear, apt for the beastly finisher. No. 8 is Sedeo, or Coyote, fitting, given its wily nature.

mini mart

The Cache Creek Mini Mart & Gas Station, established in July 2003, offers a wide range of high-quality food and beverage options, including many daily essentials. The store features large windows, an arched entrance, and layered rock architecture, providing a comfortable shopping and fueling experience at the 8-pump station. The gas station offers three grades of unleaded gasoline and diesel fuel at prices typically lower than the regional average.

The Cache Creek Mini Mart & Gas Station is sparkling and spacious, with wide aisles and two cash registers to ensure convenience and fast, friendly service. After shopping and filling up at the pumps, customers can also take advantage of the state-of-the-art touchless car wash.

Not only does the Cache Creek Mini Mart & Gas Station serve the casino resort's patrons and team members, but it is also a central service facility and gathering place for residents of the Capay Valley.

retail
